Randstad executives in SIA's 2020 Staffing 100 Europe. Randstad's founder Frits Goldschmeding in the new Hall of Fame.

This year, Staffing Industry Analysts (SIA) has selected the honorees for [2020 Staffing 100 Europe](#), their annual list of influential people in the staffing industry. In addition, they introduced the 'Hall of Fame' which comprises pioneers and champions whose indelible impact is at the core of the industry's evolution, to which also our founder Frits Goldschmeding has been selected.

"As the global leading HR services provider, we are proud that these Randstad executives are part of the selected group of 100 influentials in our industry. Besides that, it's a great honor that our founder has been selected to their inaugural 'Hall of Fame,'" says Wout Dekker, Chair of Randstad's Supervisory Board. "It's good to see that our innovative way of working and agile management is being recognized."

The following Randstad executives are in the 2020 Staffing 100 Europe list (in random order):

These lists are not a ranking, but a shout-out to those who have made a difference in the world of work.
