- In October, the Group has actively participated as a key sponsor of ADIPEC 2023, the world's largest energy exhibition and conference where it showcased its pioneering efforts in leading marine industry towards sustainability and decarbonization. The Group signed several MOU's and agreements during this event.

CAPITAL EXPENDITURE

During the period ended 30th September 2023, the Group invested AED 836 million in capital expenditure, which mainly comprised costs incurred on acquiring a new vessel, dry docking/upgrade of existing dredgers/support equipment and the acquisition of a plot of land valued at AED 40 million.

CORPORATE INCOME TAX

On 9 December 2022, the UAE Ministry of Finance released the Federal Decree-Law No. 47 of 2022 on the Taxation of Corporations and Businesses (the Law) to enact a Federal corporate tax (CT) regime in the UAE. The CT regime will become effective for accounting periods beginning on or after 1 June 2023.

The Cabinet of Ministers Decision No. 116 of 2022 specifies the threshold of income over which the 9% tax rate would apply and accordingly, the Law is now considered to be substantively enacted. A rate of 9% will apply to taxable income exceeding AED 375,000, a rate of 0% will apply to taxable income not exceeding AED 375,000.

The Group is currently assessing the impact of these laws and regulations and will apply the requirements as further guidance is provided by the relevant tax authorities, which will be applicable for the Group for the financial year beginning 1 January 2024.
